Religious Education Office*

***First Reconciliation and First Holy Communion 2023***

Dear Families,

Hope you are having a wonderful summer. In the upcoming school year, your children will be preparing for, and receiving, the very special sacraments of First Reconciliation and First Holy Communion. What an exciting time! Please see below some important information. Communion Information packets will be distributed in the fall, which will contain more specific details regarding the sacrament masses.

We look forward to working with you and your children this year!

Ms. Tarantino
